

**2 YEARS
IN INDIA**

**2 YEARS
IN USA**

YOUR **AMERICAN DEGREE**

AT NEARLY **HALF THE COST!**

Your dream of an American undergraduate degree begins at NMS!

Begin your exciting and challenging undergraduate education with The National Management School (NMS) by applying to our American education program and get an opportunity to earn a Bachelor Degree from any U.S. University at nearly half the cost.

ABOUT US

For the first time in India, NMS offers a unique opportunity for our students to complete the first two years of their US undergraduate education in India and then go on to complete their final two years of study in any university in U.S.A.

NMS is founded on the principles of innovation, excellence, and dedication to define, afresh, the way higher education is delivered in India. Our programs are a significant departure from the norm; designed in every detail to achieve one goal: **Mentoring Global Leaders.**

CENTER FOR INTERNATIONAL EDUCATION (CIE)

CIE was conceived by NMS with one main purpose - bringing international education at affordable fees to India. NMS has successfully entered into collaborations with many universities abroad to bring a number of cost effective international education options to students in India.

COLLABORATION WITH

www.broward.edu

CIE has signed an academic affiliation agreement with Broward College, an accredited 4-year college located in Florida, U.S.A., to teach courses that meet accreditation standards in the United States.

In the American Undergraduate Program (2+2) at CIE, you will be able to study the first two years of an American Undergraduate program at our NMS campus in Navalur, Chennai, India. After successful completion of the two years, you earn the AA degree from Broward College, U.S.A and complete the III and IV years of your bachelor's degree in any American university. Several Universities in the U.S. have transferred students from the same Broward College program and so students have a large pool of Universities to apply to.

HIGHLIGHTS

- **Unique Dual Country Program:** Complete the first two years of your undergraduate studies at NMS and earn an Accredited Associate of Arts (AA) Degree from Broward College, Florida. Based on your GPA and other admission criteria, transfer to ANY American University to complete the other two years of study and earn your Bachelor degree.
- **American standards:** Our American university partners visit our campus at least once a year and provide all the training and necessary support to make sure the quality of our program, faculty standards and educational competencies are on par with their own in the United States.
- **Foreign exposure:** At CIE-NMS, many professors from internationally reputed universities visit regularly to teach our students.
- **Credits:** The 2 year Accredited Associate of Arts (AA) degree program enables the students to transfer the 60 credits earned in the first two years of study at NMS to a Bachelor's degree program in any University in the U.S. and complete their degree there. The program includes 36 credits of General Education (GENEd) courses in addition to 24 credits of courses required by the specialization.
- **Subjects:** The GenEd courses include -Communications, Mathematics, Social Sciences, Humanities and Natural Sciences.

Since 1974, Broward College has been conducting International Education Programs across various countries in the world. The college is accredited by the Commission on Colleges (COC) of the Southern Association of Colleges and Schools (SACS) to award certificates, Associate and Baccalaureate degrees. Currently this Broward College's accreditation extends to centers in Singapore, Srilanka, Ecuador, Peru and Vietnam.

ADVANTAGES WITH CIE-NMS

- Complete the first two years of your U.S. undergraduate study at NMS, Chennai, having the same quality of education as in the United States and earn your Accredited Associate of Arts (AA) Degree from Broward College, Florida.
- Transfer to ANY American University YOU want, based on your GPA and their admission policies.
- Secure better scholarships when you transfer as a Junior (3rd year) than as a Freshman (1st year).
- Save at least Rs.25 lakhs without compromising on your quality and standards of education.
- Familiarize yourself with the course, while living closer to home and in your comfort zone for two years before stepping out of the country.
